

Presenter Proposal Form

26TH ANNUAL
**NATHPO Conference &
Sacred Places Summit**
ALBUQUERQUE, NM | AUGUST 24TH-28TH, 2026

Living Cultures, Living Landscapes

Please return at your earliest convenience and no later than **April 24, 2026**.

NATHPO invites you to share your knowledge and experiences in Tribal historic and cultural preservation. Presenting your work in this forum is a great way to reach others who work in similar topics, get feedback and encouragement, and build partnerships to support and continue your work.

This year's theme is "*Living Cultures, Living Landscapes*". This is a historic moment of opportunity for elevating Native voices at the highest level. We must come together during this time to speak up for Tribal historic preservation and sacred places.

We appreciate your interest in presenting information at the 26th Annual NATHPO Conference. Please understand that we cannot guarantee that you or your organization will be chosen as a presenter. Presentation selections are made based upon available time, conference theme, and material content. The Board of Directors may help NATHPO staff in selecting proposals.

As always, we welcome sessions and presentations from all sectors, and on all relevant topics. We encourage you to think about how your proposed topic is related to the conference theme. Presentations by Tribal representatives will be prioritized. If your proposal is accepted, we will ask you to provide presentation materials in advance of the conference, on or before July 23, 2026.
