

GIS Specialist: John Swigart

John Swigart is the GIS Coordinator for the National Association of Tribal Historic Preservation Officers which he joined in January of 2025. He has served at The Nebraska State Historic Society as a GIS Analyst, Highway Archeologist, and the Section 106 Coordinator for Archeology. John has worked as a GIS professional with the Federal Government, the University of Nebraska and a Type 3 Incident Management Team. John has also ventured into teaching secondary math and science. John received his BA and MA in Anthropology from the University of Nebraska. In his spare time he enjoys working in the garden, mountain biking, and reading about natural history, mathematics and history of the past 200 years.
