Dear Prospective Sponsor:

Our team is busily preparing for the 22nd Annual NATHPO Tribal Preservation Conference scheduled for January 25-28, 2022. This year's theme is "Unity and Healing." When we speak with united voices, we are powerful; when lands, languages, practices, and ancestors are restored, we heal. When some of us are not whole, none of us are whole.

While we continue to be virtual for all our safety, you can count on NATHPO to provide a diverse, compelling agenda full of solutions-focused programming including learning opportunities, listening sessions, cultural presentations, and most importantly, a space to come together. We are honored to invite your sponsorship of the annual conference and all the work NATHPO does to Protect Native Places.

**NATHPO is the only national organization devoted to supporting tribal historic preservation programs.** We are a 501(c)(3) non-profit membership association of tribal preservation leaders protecting culturally important places that perpetuate Native identity, resilience, and cultural endurance. Connections to cultural heritage sustain the health and vitality of Native peoples. We provide guidance to preservation officials, elected representatives, and the public about national historic preservation legislation, policies, and regulations. We promote tribal sovereignty, develop partnerships, and advocate for Tribes in governmental activities on preservation issues.

**Your contribution is important to NATHPO.** Participation and support of donors, members, and partners – like you – make our work possible. Enclosed, please find the *22nd Annual Tribal Historic Preservation Conference Sponsorship Opportunities* information, including sponsorship incentives to show our appreciation. We thank you in advance for your generosity!

You can find more information about NATHPO online at [www.nathpo.org](http://www.nathpo.org), and follow us on Facebook. Please feel free to contact me if you have questions or need additional information, at [valerie@nathpo.org](mailto:valerie@nathpo.org) or 202-628-8476. From all of us at NATHPO, thank you for your support and partnership!

NATHPO invites you to support the conference and the momentum it will create to *PROTECT NATIVE PLACES*.

Sincerely,

Valerie J. Grussing, PhD
